

**Perfect Pairings
Sponsorship Opportunities
Thursday, February 20, 2025
5pm- 8pm**

Support our Perfect Pairing of collaborative efforts to create a community filled with the best food and best chefs! Ivy Tech Hospitality and Unity Gardens come together to create a culinary experience!

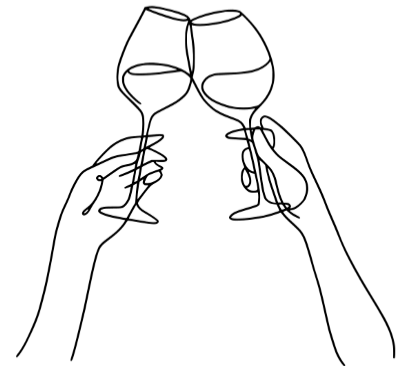

Guests will enjoy an hour of passed hors d’ouvres followed by 4 stations of perfectly paired plates. Experts from City Wide Liquors present a craft beer or wine and chefs from Ivy Tech create a perfectly paired sweet or savory tapas to be enjoyed at the beautiful Aloft Hotel.

The proceeds from this event will help us continue our work at Unity Gardens to connect our community to healthy fresh foods, nature, and one another through numerous free-pick gardens, classes, and community events and Ivy Tech Community College in educating chefs so that fresh food and fresh ingredients can be transformed into exciting dishes that people want to enjoy.

Your sponsorship is needed to make this important event possible. Your involvement is key to the success of what we do! We appreciate your support!
