

Tour de Unity June 20th 9:00-4:00pm 2026 Sponsorship Form

Tour de Unity is a day of biking in South Bend while stopping to enjoy some of the many Unity Gardens Satellite Gardens. While enjoying the greenspace and history of each garden, Ivy Tech Culinary students will be serving farm-to-fork inspired small plates for guests to enjoy based on the satellite garden itself. The South Bend Bike Garage has offered to assist in the event by providing group leaders and emergency repair resources.

Tour de Unity will promote healthy living through spending time outdoors, exercise, reconnecting with nature, and encouraging healthy eating by increasing access.

This event will support Unity Gardens' dignified free food model and Ivy Tech's Culinary studies.
